INDIANS DEFEAT ST. JOHNS; ALSO TRIM JOHNS HOPKINS

Indians Victorious Over Johns Hopkins

Fast Fielding of Indians and Hitting of White and Cooke Were Factors

William and Mary defeated the Johns Hopkins nine last Wednesday by the score of 6 to 3 on the latter's diamond. This score was the same as the tally by which the Indians defeated St. John's the day before. The fast fielding of the Indians' infield and the timely hitting of White and Cooke were the features of the game. Harwood, pitching for the Virginia team, hurled excellent ball.

The Indians scored in the second inning when J. Chandler singled, stole second, and scored on Clarke's single. Hopkins tied the score in the fifth inning, by securing a base on balls, a sacrifice hit, and a single. The Indians scored twice in the seventh inning by a single, an error, an infield out, and a single by Cooke. Johns Hop-

After Much Trouble With Arm, Stephens Stages a Come-Back

"Gi" Stephens, who has had a great deal of trouble this year with his arm, limbered it up in the St. John's game, and hurled good ball. Had the team supported him better at times, he might have pitched a shut-out game. The fielding at times was very ragged. However, the Indians played clever baseball on the offense, quite different from the style they displayed against Virginia.

"Clarence" To Be Given Tonight In Cameron Hall

Tonight at 8 o'clock the William and Mary Dramatic Club will present "Clarence," a Booth Tarkington production, at Cameron Hall. "Clarence," a farce comedy, is filled with humorous situations and mirth provoking scenes. There is little need of discussing the merits of the actors—their past performances speak for them. What success this year's play may have will be due largely to the untiring efforts of Professor Gwathmey and Dr. Jacob.

Tickets may be purchased at the College Shop or at the door, and will sell for seventy-five cents. A few will be reserved in advance at one dollar each. The performance will start promptly at 8:00.

Literary Magazine Make Nominations

Student Body To Ratify Nominations

The following officers were nominated at a joint meeting of the Phoenix and the Philomathian literary societies held Saturday night for the 1923 William and Mary Literary Magazine Staff:

C. R. Ball, Editor-in-Chief; E. W. Brauer, Assistant Editor; J. S. Jenkins, R. E. Kenney, J. G. Pollard, Jr., Associate Editors; G. A. Downing, Business Manager; F. O. Clarke, Circulation Manager.

The 1922 Staff is due much credit for the excellent magazine that has been issued this year. Mr. I. H. White, the retiring Editor-in-Chief, deserves credit for editing the best magazine yet published by the college. Mr. White will take graduate work in English at Harvard University next year, since he has won a scholarship to that institution. Articles published in the Magazine in 1921 received honorable mention in the "Student's

Lafayette College Takes Revenge

W. & M. Loses To Maroon and White by the Score of 4 to 1

The Indians were defeated Saturday by Lafayette on the latter's home ground by a score of 4 to 1. Lafayette had received her first defeat at the hands of the Indians at Williamsburg since the beginning of last year's season. However, the Maroon and White secured their revenge by taking advantage of the errors, the timely hits, and the bases on balls, which spelled defeat for the Indians.

Harwood held the victors to seven hits, while the Indians amassed eight hits off Tierney. In the seventh inning, Tierney allowed four hits, but the Indians secured only one run.

Lafayette scored in the first inning on Bieber's hit, which went for a triple as the wind carried the ball away from Chandler, and on an infield out. The second score came in the second inning, due to Lowe's error, a stolen base, and a single. The winners made their final couple in the seventh inning on another error and two hits.

The summary is as follows:

Delaware Blanks William and Mary

William and Mary was shut out for the first time this year, losing to the University of Delaware last Friday on the latter's home ground, 3 to 0. The lowest score the Indians have made in any one of eleven previous games was four.

Rothrock, pitching for Delaware, held the heavy-hitting Indians to four hits scattered through as many innings. William and Mary defeated Delaware when the latter was out on a Southern trip.

Delaware started the scoring in the second inning. Jackson walked, took second on a single, third on another safety, scored on a third hit. Fast work by the Indians and Thompson's good pitching prevented further scoring in the third. Delaware got three straight hits and failed to score, due to the fast defensive work of the visitors.

The fifth inning gave the home team two more runs. Wilson was walked, Dantz was out, and McDonald was safe on an error by Lowe. Yap, the

Gamma Omega Local Fraternity Absorbed by National Fraternity

Gamma Omega local fraternity was absorbed by the Kappa Alpha Theta Fraternity, the oldest woman's national fraternity bearing a Greek letter name. The national fraternity was founded at De Pauw University January 27, 1870. The local, which has been petitioning Kappa Alpha Theta for two years, realized their fondest hopes and desires Saturday, when Beta Lambda chapter was formerly installed by Mrs. Haviland, Grand Vice-President, and Mrs. Clark, Deputy District President.

Virginia Represented by Largest Number of Delegates From Any One State

The Southern Inter-Collegiate Newspaper Association held its second annual convention at Furman University, Greenville, S. C., April 28th and 29th. Delegates from the leading colleges and universities of the South were present at the convention. Charles F. Leek, president and founder of the association, welcomed the delegates to the convention. Dr. W. J. McGlothlin, president of Furman University, made an address of welcome on behalf of the university. This was followed by an address of welcome from the city by G. F. Norris, Mayor of Greenville. A magnificent banquet was given the delegates Friday night under the auspices of Furman University and Greenville Woman's College co-operating.

Need For a College Theatre

Site of First Theatre In America Excellent Location

The need for an adequate play house and auditorium, together with a full-time professor of dramatics was discussed today at the annual picnic given by the Scribblers Club to the Sigma Upsilon Literary Fraternity. With the recent rapid growth of the college and consequent expansion of college activities, the lack of an adequate auditorium is felt more keenly than ever before. The two auditoriums available, the college chapel and Cameron Hall, will accommodate scarcely one-half of the students. As a result, not only are the activities of the dramatic department restricted but professional companies and singers cannot be accommodated.

However important a speaker or his message may be, at no one time can the ears of all the students be reached. It was only through good fortune of fair weather that success was possible in the installation of President Chandler last fall. Picture a thousand people, even five hundred, trying to crowd in our little college chapel.

Other colleges of our size and rank give their students the privilege of hearing some of the best artists and players available. This important aspect of education is rendered impossible at William and Mary because of the lack of an auditorium or theatre. But how to obtain the funds for the building of the theatre? Why could not such an urgent need be included in the Endowment appropriation? Surely, no need is at present, more imperative.

And as for a site—what spot could be more appropriate than the historic site of the first theatre in America? Every lover of history and the drama would surely rally to aid in the building of such a memorial. The Dramatic Club will gladly donate its funds. All students are urged to support this movement.

Debate Council Elected

At a joint meeting of the Phoenix and the Philomathean Literary Societies held Saturday night, the Debate Council was elected.

The following officers were elected: E. B. Moffit (Philomathean), President; J. Swanson Smith (Phoenix),

Manager; S. C. Hall (Philomathean); C. Harrison (Phoenix), Representatives.

The manager of the council has begun to make arrangements for a very extensive schedule for next year. This year the college has had the heaviest debating programme in all its history.

William and Mary To Secure Positions For Its Students

The College of William and Mary is to install a Board of Recommendations for the assistance of students desiring positions after leaving school. This board is to serve not only students leaving college, but stands ready to benefit alumni who may wish a change of position.

The Bureau will secure comprehensible data concerning the applying student's academic standing, character, and personality. This data is referred to the persons desiring service. The board expects to extend its efforts in this field to large proportions and hopes to soon be able to guarantee employment to all deserving graduates and alumni desiring such aid.

William and Mary is the first college in Virginia to enter this phase of college activity, though some colleges in the North have installed such bureaus. All students and alumni are urged to avail themselves of this opportunity which is now nearly ready for their consideration.

SLAM PHLEW EVERYTHING!

Squash! And the elusive skin-bound pellet was gone again and the racers were rounding first, second, and third at breakneck speed! The Theta Delta Chi baseball team easily defeated the Sigma Phi Epsilon team in the fastest track meet of the season, Monday, May 1st. Score: 16 to 1.

Disappointing above all was the speed shown by the worthy "horse," Wilson, who traversed the region near first sack. Burch, still rather dazed, was literally walked over at the primary sack. It is hoped that the valuable balls hit by Jordan have been found, since they cost two and fifty one hundredths iron men each.

The Thetas play the Pi Kappa Alpha team next to decide the interfraternity championship.

Batteries: Joyner, Northington and Brunning; Zehmer and Harper.

Excursion May 6 To Williamsburg

An excursion to Williamsburg and Jamestown on Saturday, May 6, has been arranged under the auspices of the Richmond extension division of this college, and the Alumnae Association of the Farmville State Normal School. The party will leave Richmond on a special train over the Chesapeake and Ohio Railway, arriving at Williamsburg at 10:15 a. m. Visits will be made to the many historic places in Williamsburg, after which the party will proceed to the college where they will be shown over the grounds and buildings. Refreshments will be served by the college.

In the afternoon, side trips will be arranged to Jamestown and Yorktown on automobiles and trucks to be provided for every one.

Miss Sadie B. Armstrong, assistant principal of Mathew Maury School, and Dr. H. H. Gibbs, Jr., director of the Richmond extension division of the college, constitute the committee in charge of the excursion.

Professor Hodges Mentioned For City School Supt.

Following Supt. Dobie's resignation a few days ago, the Norfolk Ledger-Dispatch mentioned Professor Hodges as a man capable of filling such a position with distinction. Professor Hodges, however, when interviewed by a Flat Hat reporter, said that he was not an applicant. His many friends at William and Mary will be happy to know that Professor Hodges is not considering leaving us.

Cheer Leaders Elected

At a mass meeting held in the chapel last Monday night Mr. Stanley J. Gay and Mr. Thomas L. Jordan were elected as cheer leaders amid noisy demonstrations of approval. Mr. Gay announced that there would be a huge bonfire the night the team returns and requested every student to assist in piling up the wood in the intervening days. The team will be given a spirited and enthusiastic welcome upon its return. Lusty cheers were given for the team, Captain Lowe, and Coach Driver, before the meeting adjourned.

Scribblers Entertain The Sigma Upsilon Literary Fraternity

Affair Huge Success—Dr. Jacob Principal Speaker

The "Scribblers," woman writer's club, gave the Sigma Upsilon Literary Fraternity a delightful picnic this afternoon at the Lake. The occasion was rendered more enjoyable by its informality.

After being crowned by a laurel wreath, Dr. Jacob delivered an instructive address on "The Relation of the One-Act Play to the Short Story." Informal talks were made by Professor Gwathmey and members of both societies. Various topics touching upon literary activities were discussed and original selections were read. That writing is not the only talent of the "Scribblers" was evidenced by the tasteful luncheon prepared by them. The affair was a huge success.

MISS SLAUGHTER TO ENTERTAIN GIRLS OF TYLER ANNEX

Miss Slaughter will give a reception to the Tyler Annex girls at the Bright House, Sunday afternoon, May 7. Miss Slaughter will also exhibit her water color sketches; she has been very successful in her painting at Williamsburg. One of her canvasses will be exhibited at the pageant in Richmond.

SOLICITOR-GENERAL BECK ADDRESSES STUDENT BODY

Solicitor-General James M. Beck will deliver the last of the lectures given under the auspices of the Marshall-Wythe School of Government in the college chapel Saturday, May 13th, at 11 o'clock. The guests of the college will be at the lecture.

GIRLS NOMINATE REPRESENTATIVES FOR LITERARY MAGAZINE

The Whitehall and the John Lesslie Hall Literary Societies have nominated Elizabeth Fristoe and Mary Deane respectively to represent them on the staff of the Literary Magazine for the coming year. These nominations are to be confirmed by the student body.

Inter-Fraternity Baseball Preliminaries End

Sigma Phi Epsilon, Theta Delta Chi, Pi Kappa Alpha Winners in Preliminaries

Sigma Nu and Sigma Phi Epsilon opened the series in endurance test April 23rd.

Sigma Phi Epsilon won from Sigma Nu in a closely contested game last Tuesday by a score of 8 to 7. This contest was the warmest one of the series. In the first inning, S. P. E. secured three home runs, but the Sigma Nus tied the count in the same inning by securing one home run with two men on bases.

After this inning, it became a question of which side could secure the most runs and make the least errors. It is needless to say, that many errors were made on both sides. Perhaps, the S. P. E.s had the edge on the Sigma Nus in the outfielding. However, St. George, left fielder for Sigma Nu, made the greatest sensational catch seen on Cary field this year.

Præx Wilson, pinch-hitting for "Shorty" Jeffreys, slashed a terrific two-bagger into right field, putting the game on ice for the S. P. E.s and bringing the spectators to their feet. It was well that this timely hit was made as darkness was beginning to brood over the field for the S. P. E.s.

In the seventh inning the score stood 7 to 7. In the eighth inning the S. P. E.s ran ahead by one score. Then the fun began. Dickinson, "star" rightfielder for Sigma Nu, had

a good chance to score when he singled to left field, stole second, advanced to third on Parker's single to right. In an attempt to make home on a single, Dickinson was thrown out, making the third man down. This gave the score of 8 to 7 to S. P. E.s.

The outstanding stars for the S. P. E.s were Denton, Scott, and Wilson.

The batteries were: Joyner and Brunning, Sigma Phi Epsilon; "Carson" Cross and Keister, Sigma Nu.

Mount St. Mary Defeats Indians

Jumping on Cox, Lane and Harwood in the first three innings of Thursday's game for thirteen runs, the Mount St. Mary team was never headed, defeating William and Mary College 15 to 6. Breaks of the game and poor base running were responsible for the Indians' low score, as they gathered 13 hits off Toolin's delivery.

The former Maury High School star, who began classes at Emmitsburg the day before the game, held the Indians for the first two innings. In the fifth, five successive hits gave the Indians four runs. Another run was added in the sixth, on a two-base hit and two bases on balls. In the seventh poor base running stopped a possible rally, as the Indian team scored but one run on three hits and two walks.

Cox, starting for William and Mary, was hit for four safeties, three runs in the first inning. Lane relieved him, and gave up six runs and six hits, including two homers, in one and one-third innings. Harwood, who defeated Johns Hopkins last Wednesday, replaced Lane in the box, and in the

last of the third inning, four runs were scored off him.

The Indians' "ironman" held the St. Mary's team to three hits, and two runs for the remaining five innings.

Cooke and White continued their batting spree with two hits each. Cobb got three bingles and Chalkley two.

Score by innings:

W. & M.000 041 100—6
St. Marys346 000 11x—15

Batteries: Cox, Lane, Harwood and Chalkley; Toolin and Royer. Umpire, Doyle.

HAMPTON HIGH SCHOOL BATTLES SCRUBS TO A TWELVE-INNING TIE

In an erratic game, featured by hitting and ragged fielding, Hampton High School played the scrubs to a twelve-inning tie. Jordan and Ashby pitched unbeatable ball, but gave fifteen free trips to first. Bases on balls and errors accounted for the Hampton High score. The pitching of Ashby and the Hitting of Todd and Westbrook featured the game for the Scrubs. With the count 11-9 against us, John Todd parked the ball, sending Westbrook in ahead and knotting the count. For Hampton, Peake, Harmon, and Handy starred. Harmon is one of the best fielding short-stops seen on Cary field this year. Handy blanked the "Papooses" seven of the twelve innings and struck out fifteen men.

Score by innings:
Scrubs000 413 030 000—11
Hampton200 340 020 000—11

Batteries: Hampton: Handy and Harrison; Ellison. Scrubs: Jordan, Ashby, and Parsons; Burke.

"FLICKY" HARWOOD IS OUT OF GAME

"Flicky" Harwood has been forced to return home on account of an injury to his right wrist. It is feared that "Flicky" will not be able to rejoin the Big Team on the Northern trip. Harwood has been the Indians' pitching ace and his loss in the middle of our tour makes his absence doubly felt. It is hoped that "Gi" Stephens' arm will come through and lead the Indians to victory.

THETAS WIN FROM KAPPA ALPHAS

Tommy Reese's pitching and ragged fielding on the part of the K. A.s were the outstanding features of Friday's "comedy of errors," which resulted in a Theta Delta Chi victory, 10-0. Tommie Evans knocked a home run; in fact all the Thetas hit the old apple at will.

For the Kappa Alphas, Isham Hardy and Agrippa Bell starred. Young Agrippa's fielding brought the fans to their feet on several occasions.

Edward Wood and "Little Sleepy" Tennis, however, bat higher in the social league. As a climax "Bright Eye" Wood slid into Charlie Duke, both going down into a sea of mud. Charlie Charlie emerged first and touched Agrippa for the final out of the game.

Batteries: Theta Delta Chi: Reese and Harper. Kappa Alpha: Irving, Hardy and Lowman.

"KID" SORG PITCHES P. I. K. A. TO VICTORY

It was due to Sorg's superb pitching and Bennett's and Todd's timely hitting that the boys from Peacock Hill won from the Kappa Sigmas, 8 to 1. Only twenty-four men faced Sorg during the seven-inning game.

Henry Moncure undertook the pitching burden for the Kappa Sigmas but was balloon-like, and after walking five men, and allowing three hits and four runs, gave way to "Chet" Pierce. "Chet" pitched a very good game but his support was ragged in pinches. "Shake" Bush was the shining light for the Kappa Sigmas. "Shake" made one hit, stole two bases, and fielded well. "Sheik" Stuart, the pride of Ewell Terrace, had an off day, failing to play his usual good game.

Batteries: Kappa Sigmas: Moncure, Pierce and Friend. Pi Kappa Alphas: Sorg and Campbell.

ABOUT EXPANSION

Many and long has been the argument as to what should be the goal of the College of William and Mary. To our humble way of thinking a first-class small college with high standards and higher ideals is the proper status of Alma Mater. A law school—yes—but a law school of unusually high and exacting requirements; it should be more a monument to the celebrated Marshall and George Wythe of glorious memory than an institution operated for commercial gain. Should the University of Virginia ever wake to its true function in this State and concentrate its attention on graduate work in place of running in opposition to the colleges of the State, it seems to us logical that William and Mary would naturally be the school from which the intellectual elite of the graduate students at Virginia would receive their undergraduate training.

But whatever our view on this subject we are unanimous in admitting that to achieve any goal our wonderful upward march must not be interrupted. And to continue this upward march in the channels in which we have directed it involves a task which the word difficult fails to describe. "Where there's a will, there's a way" is one of those half-truths of popular logic which applies admirably to the present situation. The new dormitory and gymnasium for men can only be secured through the closest and most enthusiastic co-operation of every student and alumnus of William and Mary. Fellow students, our president is doing wonders, but he cannot build this dormitory without funds. In this project we all have an individual responsibility, and each one can do something. "HAVE YOU CONTRIBUTED YOUR BIT TOWARDS THE DORMITORY?"

SENIOR CLASS PETITIONS FACULTY FOR EARLY EXAMS

The Senior Class recently appointed a committee to draw up a petition to present to the faculty, asking that the Seniors be given their examinations a week early. The class feels that it is a privilege that the faculty should allow the members. A week reserved for preparations for the finals will greatly facilitate arrangements for the commencement. Not only will this be an advantage, but the Seniors who may fail on a course, will have ample time to take another examination, if the professor in charge feels gracious enough to allow such quality of mercy. The policy of allowing Seniors the privilege of taking examinations a week early was initiated last year. This year it seemed to be an understood privilege that the Seniors would be shown this favor. However, a recent faculty meeting so decreed that the fate of the Seniors would be hung in the same balance along with the other students.

COLLEGE JOURNALISM GROWS (Greenville News)

If any one doubts that college men are capable of turning out first-class newspapers in every sense of the word, let them inspect the samples submitted by the various colleges to the Southern Intercollegiate Newspaper Association which has just held a convention in Greenville. The newspapers are without exception a credit to the institutions whose events they record,

giving descriptions of the college news, campus life, sporting news and the like. Interspersed with wit and humor and characterized by strong college editorials, the newspapers adequately mirror their sphere.

The papers vary greatly as to size and make-up, the columns running from four to six to a page, and the pages varying from four to eight. Perhaps an improvement could be effected if the association would seek to standardize the size. However, there has been remarkably great attention given to the mechanical details of the newspapers in recent years, and their appearance is, in general, excellent. Most of them have uniform headlines and attractive arrangements of advertisements and reading matter. Especially notable in this respect is the newspaper published by Emory University, "The Emory Wheel," which won first prize in the contest. In addition to being a well-rounded newspaper, the samples submitted were practically perfect from a typographical and mechanical standpoint. The pyramid style of headlines was used consistently throughout the paper, the "break-overs" taken care of properly and the importance of the stories well emphasized in type sizes. It is well that college journalists are studying this phase of newspaper-making because it is one of the important features of the work.

The news matter in the papers shows that the journalists have given much thought to the collection and assembling of it, and have edited it intelligently. The improvement has been notable in this respect. Every phase of college activity is "covered" from athletics to fraternity dances, if any. On the front page of the winning paper such topic as an art exhibit, selection of debater's team, glee club concert, law school representative, news of injured student, subscription by students to the Wilson foundations and honoring the college in an anthology, are treated. Sports were omitted because there were no "live" sports at the time of publication.

Training in college journalism is valuable to students even if they never go into newspaper work as a profession, because it gives them a broad horizon that is worthwhile to them. If they take up newspaper work as a life-time job, it is even more valuable to them, for many of the problems they meet and solve are identical with those that come up in big newspaper offices. Above all, it teaches students that newspaper work is not merely a matter of "fine writing," as most college men used to think before the advent of college journalism. It teaches them that it is a practical, hard, every day task that requires common sense, industry and tenacity.

BETA LAMBDA CHAPTER INSTALLED

(Continued from Page 1)

teen pledge buttons had been formally placed upon the initiates, the guests and pledges retired to Coach Driver and Prof. Gwathmey's bungalow, where the Theta guests were served a light supper by the new pledges.

Initiation of Alumnae, Seniors, Juniors, Freshmen

Friday afternoon at two o'clock, the initiation of the alumnae, seniors, and juniors took place. At four o'clock Mrs. K. J. Hoke delightfully entertained the guests and local fraternity members at tea. The initiation of the sophomores and the freshmen took place at eight o'clock, after which a buffet supper was served.

Garden Party and Banquet Features of Saturday

Saturday afternoon, the initiates gave a garden party for the faculty members and representatives of the men's social fraternities. Following the garden party, a sumptuous banquet was given in the dining hall for the forty-two delegates representing thirteen chapters, and others present on the occasion. This event was the greatest feature of the occasion, as the spirit and the ideals of the fraternity were beginning to be realized, and the realization of a great accomplishment had dawned upon the former local members of Gamma Omega.

A model meeting of the Beta Lambda chapter was held Sunday morning. This event marked the close of the exercises of the installation.

The delegates attending the installation are as follows:

Elizabeth Humphreys, Mildred Martin, Annetta R. Maslava, Beta Eta, University of Penn.; Marjorie B. Haviland, Mary Thomas, Butler College; Marie Puckner, Alpha Psi, Lawrence College; Daphne Conover, Psi, University of Wisconsin; Matilda Brooks, Alpha Omega, University of Pittsburg; Mildred Schramm, Alpha Iota, Washington University; Marjorie Haviland, Tau, Southwestern University; Louise Market, Alpha Mu, Missouri University; Dorothy Hardig, Alpha, Depauw; Kathryn Pflawn, Miss Pierce, Priscilla Goodwyn Griffin, Elsa Palmer, Eleanor Clark, Alpha Beta, Swarthmore College; Dorothy Cooper, Grace Sand, Alpha Kappa, Adelphi College.

Alpha Delta (Goucher College)

"THOSE HEAVENLY TWINS" In Oral Expression

The class was reading a selection of several stanzas.

Dr. Jacob: "Miss Sutler, read next."

One of twins: "Which one?"

Dr. Jacob: "The third!"

She was visiting her uncle in California who was showing her the many things that grow there.

"This is a fig tree," said he.

"Why, Uncle I thought fig leaves were larger than that," she said.

"She was as pure and as white as the snow."

"Yes, but she drifted."

Scribblers Petition The Chi Delta Phi Literary Fraternity

The "Scribblers," woman writer's club, organized in November, 1921, for the purpose of fostering and promoting writing among the women here has petitioned Chi Delta Phi, a national woman's literary fraternity.

The Scribblers have been regular contributors of short stories, essays and poems for the Literary Magazine and includes in its membership three members of the Flat Hat Staff. Some of Miss Jenkins' verse appeared in the "Anthology of College Verse" last year. The members of the "Scribblers" Club are: Elsie Eades, Beulah Bergey, Elizabeth Lee, Mary Deane, Virginia Thompson, Beverley Ruffin, Katherine Scott, Elizabeth Van Laer, Cornelia Adair, Marguerite Jenkins, Bozena Kohout, Katherine Wicker, Muriel Valentine and Jane Slaughtier.

Chi Delta Phi Fraternity is a sister fraternity of Sigma Upsilon. Sigma Upsilon takes this occasion to wish the "Scribblers" success in their petition.

STUDY ALCOHOLISM

Students at the University of Brussels, Belgium, have formed groups for the study of alcoholism as a social problem under the direction of Le Mouvement Etudiantin pour la Culture Morale and with the cooperation of the organized student body, l'Association Generale des Etudnants. Professor Jules Bordet of the Institute Pasteur and winner of the Nobel Prize in 1921, is giving a series of university lectures on alcoholism.

Take It From The Air

NOT only music, but news, speeches, messages of every sort, are today being picked out of the air.

"How has this come about?" we ask.

The new impetus given to radio development may be definitely associated with the development of the high power vacuum tube, for that made broadcasting possible. And the power tube originated from a piece of purely theoretical research, which had no connection with radio.

When a scientist in the Research Laboratories of the General Electric Company found that electric current could be made to pass through the highest possible vacuum and could be varied according to fixed laws, he established the principle of the power tube and laid the foundation for the "tron" group of devices.

These devices magnify the tiny telephone currents produced by the voice and supply them to the antenna, which broadcasts the messages. At the receiving end, smaller "trons", in turn, magnify the otherwise imperceptible messages coming to them from the receiving antenna.

Great accomplishments are not picked out of the air. Generally, as in this case, they grow from one man's insatiable desire to find out the "how" of things.

Scientific research discovers the facts. Practical applications follow in good time.

LITERARY MAGAZINE MAKE NOMINATIONS

Anthology of America" last year. It is to be expected that the articles printed this year in the Magazine will receive still higher recognition.

It has been thought that interest in literary work at the college has been waning for the past few years, but the literary magazine is testimony to the fact that literary work has enjoyed a revival at the college.

The new editor will have an abundance of material left over from this year that will serve as a starter for next year. Much good material could not be printed for lack of space.

These officers nominated by the literary societies will be ratified by the student body.

Lehigh star, flied out. Jackson got his only hit of the game, a triple, which scored both men.

The Indians got only one man as far as third base. In the eighth inning, Chandler singled, went to second when Dantz fumbled in center. He took third on Chalkley's out. White and Clarke both failed to score him.

The fielding features of the game were two catches, one by J. Chandler in the first inning, robbing Wilson of a hit; another by Cooke on first base, when he stopped a bad throw by Hicks.

SIGMA UPSILON INITIATES "DOC" LYONS

At its regular weekly meeting Thursday night, Sigma Upsilon Literary Fraternity initiated Professor Lyons. Mr. Lyons is one of the most popular instructors in college. He took a prominent part in all literary activities during his undergraduate years. Last year Mr. Lyons served as editor-in-chief of the Flat Hat. The faculty members of the fraternity are: Dr. Hall, Mr. Lyons, Mr. Simmons, and Mr. Elliot.

S. I. N. A. CONVENTION HELD AT FURMAN UNI.

(Continued from Page 1)

Georgetown College, Kentucky, Geo. R. Koester, Publisher of "Greenville Piedmont," and L. Mell Glenn, Managing Editor of "Daily Mail," Anderson, S. C., were the outstanding features of the convention. These addresses were both interesting and instructive to the delegates.

Saturday morning was given over to the delegates for round-table discussion of college newspaper topics. Many helpful suggestions were given by the different college representatives. One of the most important recommendations and suggestions was that of establishing a News Service Exchange with centers at Richmond, and at Atlanta. The institution of this service was turned over to the executive committee of the association. Such an exchange of news among the Southern colleges will effect a rapid spread of inter-collegiate news.

The following officers were elected at the convention: Charles H. Deterly, Associate Editor of the "Emory Wheel," Atlanta, Ga., President; Miss Eleanor Hyde, Agnes Scott College, Atlanta, Ga., Secretary-Treasurer; William Ellyson, University of Richmond, Vice-President of the Woodrow Wilson district. The election of the vice-presidents of the Henry Waterson and Henry W. Grady districts was referred to the executive committee.

The "Emory Wheel," published by the students of Emory University, won first place in the journalistic contest; the "Richmond Collegian," published by the students of the University of Richmond, won second place; and the "Orange and White," published by the students of the University of Tenn., won third place. Mr. W. S. Sawyer, Managing Editor of the "Emory Wheel," was the winner in the editorial writer's contest. In the membership contest, the district comprising the States of North and South Carolina, Georgia and Florida, won the first honors.

The third annual convention of the S. I. N. A. will be held at Emory University next year.

The delegates from Virginia colleges were: Elizabeth Moring, Anne Meredith, Farmville State Normal; Elizabeth Chesterman, Randolph-Macon Woman's College; R. C. Grove, H. G. Ross, Roanoke College; P. W. Ackiss, W. A. Dickinson, William and Mary College; C. F. Leek, Wm. Ellyson, Richmond University.
